I. WELCOME, INTRODUCTIONS

The chair, Contra Costa County Supervisor Mark DeSaulnier, will make brief opening remarks and ask members to introduce themselves.

II. IRP OVERVIEW/UPDATE

Meetings and items of interest.

III. JOBS/HOUSING OPPORTUNITY ZONE CRITERIA*

Staff will present a process for selecting jobs/housing zones. The criteria will form the basis of an application process for evaluating jobs/housing zones and their development. Members will be asked for additional comments related to criteria development.

Action requested:

- Provide staff with comments/suggestions regarding the site selection process and criteria
- Define who may apply for a jobs/housing zone

IV. JOBS/HOUSING OPPORTUNITY ZONE INCENTIVES*

Staff will present an incentives program to entice developers to build housing and/or commercial development within selected zones. Members will be asked for additional comments related to incentives development.

Action requested:

- Provide staff with comments/suggestions regarding the incentives package
- Direct staff to seek legislation to create a comprehensive incentives package for selected zones

V. INTER-REGIONAL GEOGRAPHIC INFORMATION SYSTEM*

Staff will give a presentation on a GIS program that will fulfill legislative requirements and provide an analytical tool for the IRP and the State.

Action requested:

- Approve the GIS components suggested by staff
- Authorize staff to present concept of IRP integrated GIS to State Housing and Community Development Department
